

The Lancashire Care Conference

AGENDA 2019

9.00 Registration and exhibition viewing

9.30 Welcome from Care Management Matters

Angharad Burnham, Editor – Care Management Matters

9.35 Opening from Lancashire Care Association

Paul Simic, Chief Executive – Lancashire Care Association

9.45 The Lancashire Market Position Statement: issues for providers and commissioners

An in-depth look at the Market Position Statement, examining how it helps providers shape business, develop their services and invest in new areas. Focusing on how providers and the local authority can work together to deliver flexible and responsive services.

Louise Taylor, Executive Director for Adult Services and Health & Wellbeing – Lancashire County Council

10.15 Integration and leadership

Social care providers, NHS, housing, local authorities and more are coming together to help develop new models of care. But how can providers push change in their area? How can the different systems be navigated and how can truly integrated services come out on top? What role do social care leaders have in driving this change?

Annalouise Stephens RN, Independent Regulated Care Sector Lead – NHS England North (Lancashire and South Cumbria)

10.45 Refreshments and exhibition viewing

11.30 Reviewing provider representation in Lancashire and the North West

Paul Simic, Chief Executive & Tracey Bush, Director – Lancashire Care Association

12.00 Panel discussion

12.30 Workshops

Managing medications to prevent mistakes

What are the most common medication errors and how can they be eradicated? What role does training have to play and how can you ensure people's medication is reviewed regularly? What other considerations should be at the fore?

Dr Hooman Safaei, Chief Risk Officer – ATLAS eMAR, Invatech Health

12.30 Workshops continued

Consumer law guidance and what it means for you

How will the new guidance from the Competition and Markets Authority affect you? What does it mean for your contract obligations and how can you manage continuing healthcare funding and top-ups alongside the recommendations?

Errol Archer, Consultant Solicitor-Advocate – Scott Moncrieff & Associates

Getting the best out of CQC inspections

What are the key areas providers need to focus on when striving for a positive CQC inspection? How can you use the experience to your best advantage and what must be done to prepare? Offering top tips for making sure you're ready for your next inspection.

Rob Baillie, Director of SRG Midlands & North Division – SRG Care Consultancy

13.15 Lunch and exhibition viewing

14.15 Workshops repeated

15.05 Recognising and managing mental health issues in the workplace

An interactive session exploring the mental health issues faced by managers and their staff in social care. What are the pressures and how can they be overcome or managed? Drawing on latest guidance and research for maintaining mental health and wellbeing and examining how this can be implemented to support yourself and your staff.

Richard Muncaster, Chief Executive – Care Workers Charity

15.35 Skills for Care

TBC

16.05 Summary of the day and close

Paul Simic, Chief Executive – Lancashire Care Association

16.15 Registered Care Managers Network session

Paul Simic, Chief Executive, Gina Kidd, RCNM Secretary – Lancashire Care Association & Katie Barnes, Chair – Lancashire Provider Forum
