

Leeds Care Conference

AGENDA 2022

9.00 Registration and exhibition viewing

9.25 Welcome from Care Management Matters

Olivia Hubbard, Editor, Care Management Matters.

9.30 Opening from Chair

Peter Hodkinson, Chair, & Michelle Atkinson, Chief Officer, Leeds Care Association.

9.35 An extract from new play 'Unforgettable - telling the care home story'

performed by Brian Daniels and Martina McClements

9.45 Keynote – a view from Leeds City Council

A look at how local authorities can work with care providers to deliver the triple aim of good outcomes, good value and efficient services.

Cath Roff, Director of Adults and Health, Leeds City Council.

10.15 A provider's view

How can the adult social care sector develop in the future? What should we do to become a more outcome- focused, citizen-directed and integrated service?

Professor Martin Green OBE, Chief Executive, Care England.

10.45 Refreshments and exhibition viewing

11.15 Care worker recruitment in 2022

Finding enough new staff with the right values is critical for the survival of all care providers. In this session, Neil will share the latest thinking, research and innovation, drawing on his connections with employers of care staff from around the world. Every recommendation is easily implemented and most cost nothing but have been repeatedly proven to make a big difference.

Neil Eastwood, Chief Executive and Founder, Care Friends.

11.45 Panel discussion

12:15 Workshops

Upskilling your staff and the benefits for your organisation

This session will focus on how to upskill the workforce in a cost-effective manner, so that staff retention is improved and new staff are attracted to your service.

Jenny Gibson, Director, Solitude Training.

12:15 Workshops *continued*

The Liberty Protection Safeguard Consultation

This workshop will look at the key changes planned, ask important questions and discuss the implications for your service.

Rachael Hawkin, Senior Solicitor, Hempsons

Implementation of Artificial Intelligence (AI) into the care sector and the benefits

Join NDGAI as it explores how AI can aid the delivery of scheduling services in home care.
